

A Winning Yellow Piece of Pie

A Saturday night in 1989. The call of the Brown Bear is strengthening. Friends Raj, Shan and Coosty push to finish their game to answer the call.

Shan and Coosty both have 5 pieces of pie and are marching up to the centre of the board.

Shan arrives first. Raj grins wickedly as he picks up the question card. History, the thing his mate is most Shan at. He looks at the card, he looks at Shan.

“Which town in the UK is still at war with Russia.”

“Bereek” answers a gobsmacked Shan.

“Aye,” replies Coosty. “Drinks on you Raj.”
